

# INTRODUCING...

## **Eklind**® **PSD**<sup>™</sup>

### Professional Precision Screwdrivers

*Eklind PSD™ Professional Precision Screwdrivers are manufactured with the same high quality standards that has made Eklind Tool Company the leading manufacturer of American made Hex Key products. Our bigger, tapered, ergonomic handle is designed to offer professionals comfort as well as control. Rotating end-caps maintain finger tip control. Tip styles include Hex, Ball-Hex, Slotted, Phillips and Torx®.*

- Big, Comfortable Handle
- Spinner-Cap for Precise Control
- Precision Machined Tip
- Sizes Marked Permanently on Cap
- Soft, Ergo Grip
- Oil & Chemical Resistant
- Made in U.S.A.
